HOW DO YOU ENROLL?

FIRST BANK EXPRESS is a convenient alternative to traditional banking, and the enrollment process is simple.

Just complete and sign this application and return it to any of our branches.

Once we receive your application, we will check and confirm your account data and set you up immediately as an online banking customer.

When the process is complete, you will receive two letters—one with your logon ID and one with your password.

COMPLETE SECURITY

When your application has been processed, we will assign a User ID and Security Code which will allow you access to **FIRST BANK EXPRESS**. When accessing for the first time, you will be prompted to customize your password. Passwords are 6+ alpha-numeric characters and are case-sensitive.

FIRST BANK EXPRESS is true online banking utilizing the latest in Internet secure server technology. All the banking you do through this service will be transmitted using 128-bit encryption, a technique that provides a high level of protection by scrambling and unscrambling information transferred between your PC and **FIRST BANK EXPRESS**.

SYSTEM REQUIREMENTS

To utilize **FIRST BANK EXPRESS**, your PC must have Internet access using the latest release of any browser with 128-bit SSL encryption.
